Happy Visits for Happy Dogs!

Make every vet visit a tail-wagging experience

What is a Happy Visit?

A Happy Visit is a short, nonmedical, fun-only trip to the clinic.

✓ No exams ✓ No procedures ✓ Just positive experiences!

Your dog visits the clinic just to enjoy treats, play, and attention—helping them build a happy, stress-free relationship with vet visits.

-  Builds confidence in puppies & new pets
-  Helps shy or nervous dogs feel safe
-  Prevents fear before it starts
-  Strengthens your pet's bond with our clinic team

Before you come in, be sure to:

-  Bring your dog when they're a little hungry
-  Pack LOTS of favorite treats
-  Include a comfort item: toy, blanket, or mat
-  Stay relaxed and encouraging—your pet follows your lead!

Here's the step-by-step:

-  Treats in the parking lot
-  Treats at the clinic door
-  Lobby & exam room tour – pause for “treat parties”
-  Practice getting on the scale and going into examination rooms
-  +  Friendly team interactions

 Happy Visits are FREE!
